

**PERMIT APPLICATION:** NRS05.468

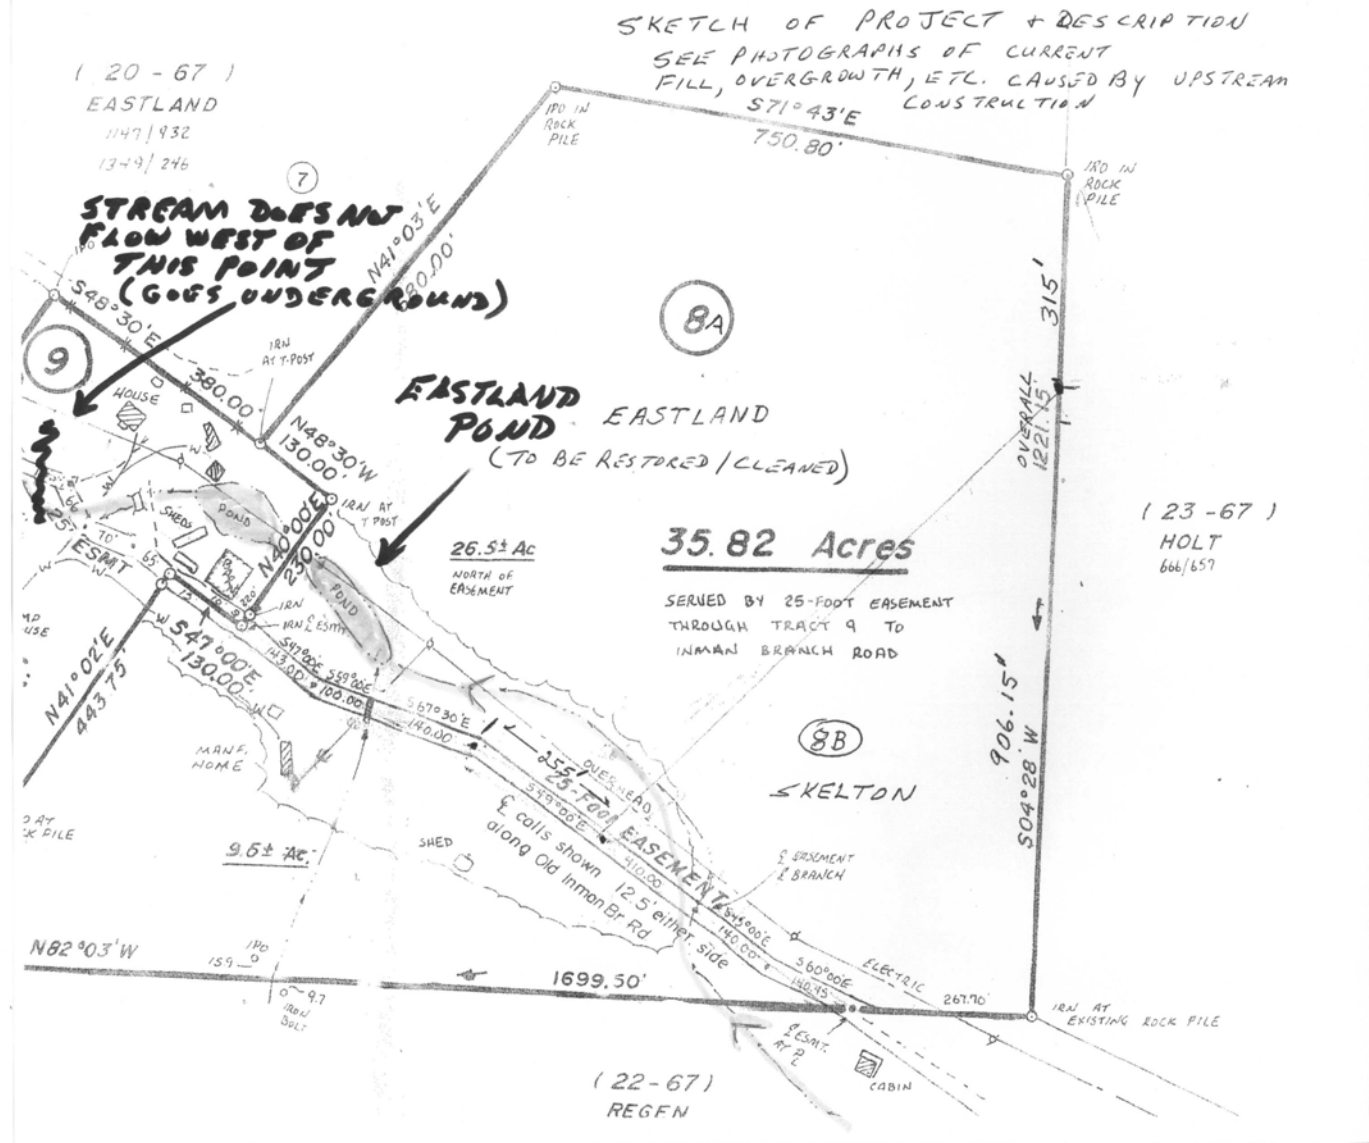

**APPLICANT:** David Eastland  
5160 Inman Branch Road  
Franklin, Tennessee 37064  
615-595-0136

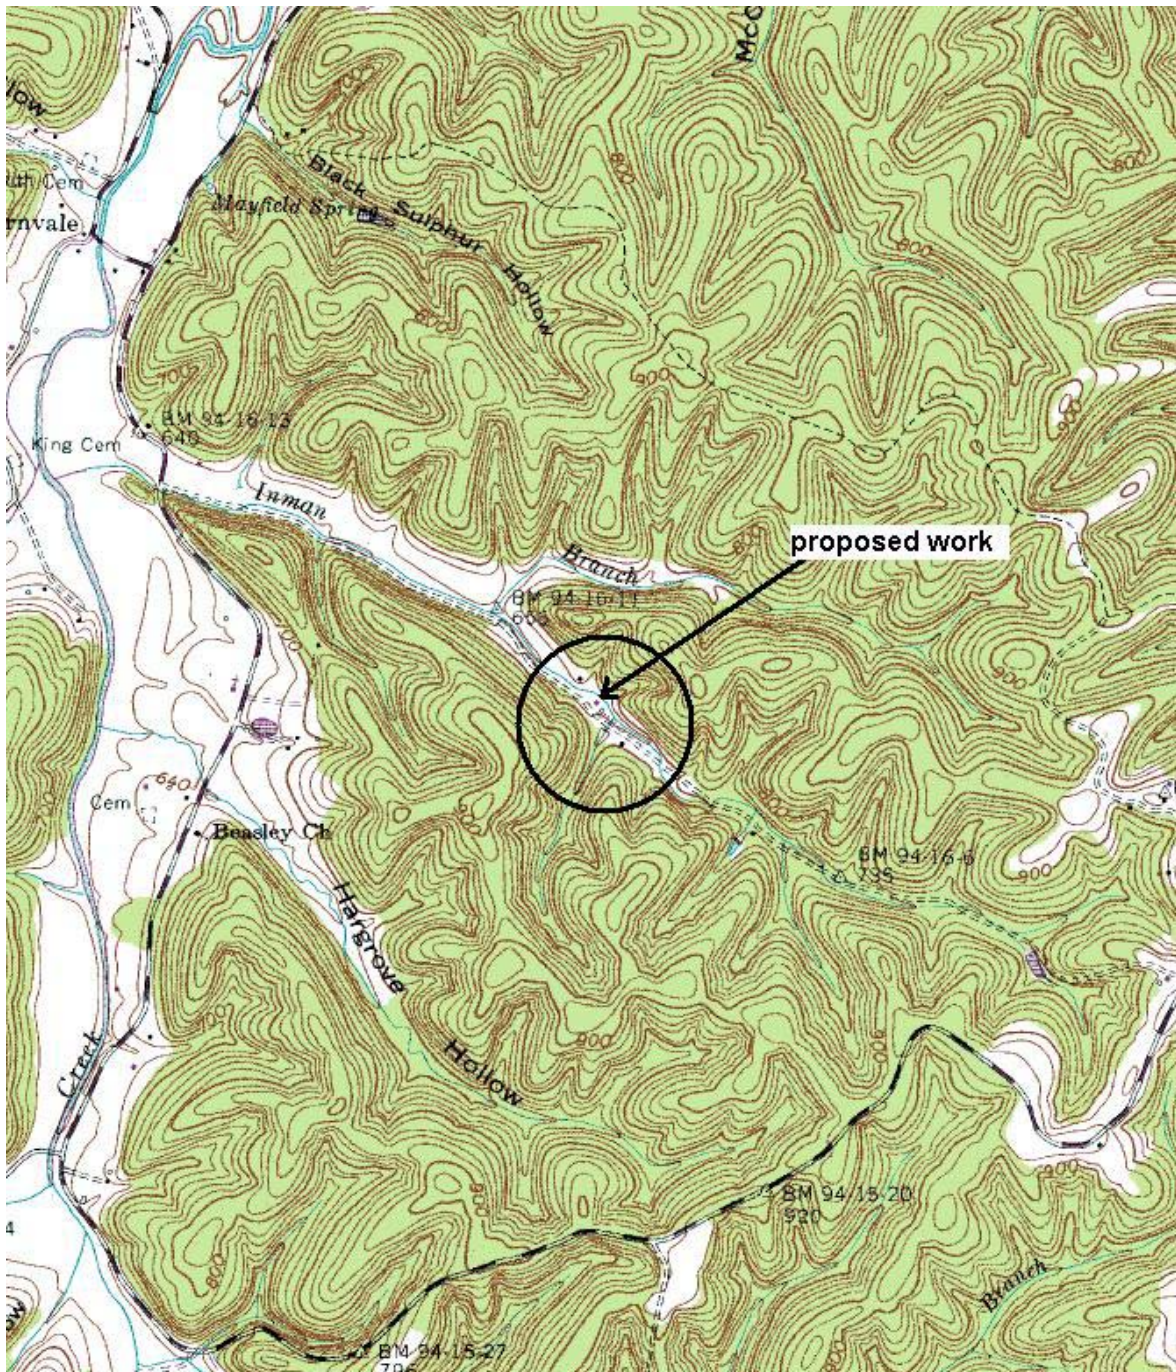

**LOCATION:** unnamed tributary to Inman Branch, near Fernvale  
in Williamson County; 35.9430°N, 87.0632°W; USGS  
Fairview Quad

**WATERSHED DESCRIPTION:** Inman Branch is a second order, spring fed stream at the location proposed for alteration. The stream has not been assessed for use support or tier status. It is classified for the following uses: fish and aquatic life, irrigation, recreation, and livestock watering and wildlife.

**PROJECT DESCRIPTION:** The proposed work involves clean out or excavation of accumulated sediment, debris and vegetation from an in-stream impoundment on the applicant's property. The applicant states that the impoundment has existed for more than fifty years. Recent in-stream construction upstream of this impoundment has contributed to increased sedimentation within the impoundment. The proposal also includes rehabilitation of the concrete dam. In accordance with the Tennessee Antidegradation Statement (Rule 1200-4-3-.06), the division has determined that the proposed activity will not result in degradation to water quality.

**PERMIT COORDINATOR:** Robert Baker
